

1 KINGS 13 Notes

- When God has called, let no one deter you
- Whatever the Lord has said cannot be revised by others
- No guarantee of continued faithfulness even after a major victory in obedience/faith
- Even men of a godly background can violate their demonstrated walk and reputation by using their credibility to influence others, when in reality they are speaking from the flesh
- Don't seek the **word of the Lord** without first seeking **the Lord of the word**
