## ABOUT THE TOPIC

Scott's messages will focus on ***Secrets for Experiencing God More Deeply!*** Many believers start out in a vibrant experience with God in their early days of walking with Christ, but as time passes they lapse into a "Creed-only Christianity." They have learned the Evangelical do's and don'ts, and as long as they keep their name out of the newspaper they are considered 'good Christians.' But God desires something different than our merely following a creed—He longs for us to experience His joy each day.

These four 'snapshots of Jesus' focus on helping us experience God more deeply by taking a fresh look at Jesus in familiar stories but have surprising outcomes. Fasten your seatbelt!
