Strengthening Your Stakes

Strengthening Your Stakes is a topic Lorne Sanny would choose as he traveled around the world for more than 30 years. He felt that people always needed to be reminded of three aspects of ministry: The word of God, Prayer and Man-to-Man Ministry. Dr. Spann is adding a fourth aspect to his list which is "Deepen Your Knowledge of God." If we succeed in these four, we will succeed in our ministry. If we fail in these, we will fail in our ministry. Hebrews 2:1 reminds us that "*We must pay the most careful attention, therefore, to what we have heard, so that we do not drift away.*"

The message titles are:

- 1) *The Word of God*
- 2) *Prayer*
- 3) *Man-to-Man Ministry*
- 4) *Deepening Your Knowledge of God*

Please bring your Bible, notebook and pen.

ABOUT THE SPEAKER

Dr. Richard Spann began his association with the Navigators 50 years ago last October, when he joined a Memorize the Word group. Two months later, he met Jim Morris who invested time weekly with him. From Jim he learned the importance of the word of God and the worth of the individual. He became part of the Kansas Navigators team in the summer of 1973. Since that time he has invested his life in people, helping them to know Christ and to know Him better. He attended the Kansas Communities Ministry summer conferences at Glen Eyrie for many years, along with other conferences where he was greatly encouraged by other team members and many individuals on the Navigators staff. Following the retirement of Jim Morris in 1992, he assumed the leadership of the Kansas Navigators until four years ago. He continues to be actively involved in small groups and one-to-one ministry.

Richard is a retired pulmonary and critical care physician. His wife and his oldest daughter were called by the Lord to join Him in the heavenly realms a little more than a year ago. In addition to his remaining daughter, he has two sons-in-law and eight grandchildren. Five of the grandchildren live within a few minutes drive from his home. He enjoys spending time with each one of them.
